DAY 1

Boarding aboard Galatea at noon, meet the Captain and the crew and after the welcome briefing departure toward the North of Mahé. First dive (check dive) at Coral Garden. Continue sailing toward the bay of Beau Vallon in time for a beautiful sunset on Galatea spacious deck. Dinner and overnight lulled by the calm, clear water of this magnificent bay. Possibility of a Night Dive at Aquarium.

DAY 2:

After a morning breakfast overlooking the famous Beau Vallon Beach, first dive at Twin Barges, back on board and sail to Lighthouse dive site for your second dive of the day. A large dramatic granite boulders and massifs with hard coral formations dropping to sand at 28-30 meters. Afternoon dedicated to relax, snorkel and other beach activities at Anse au Riz in the marine park of Cap Ternay. Afternoon Dive at Cap Ternay, an easy dive with probably the best hard coral formations around Mahé. Dinner and overnight at Marine Park- In addition: possibility of a night dive at Cap Ternay West

DAY 3

Early dive at Cap Ternay East and departure toward the famous dive site of SHARKS BANK, located between Mahé Island and Silhouette Island. Scenery dotted with huge granite blocks on a granite plateau. Arrive to Praslin in the afternoon and time at leisure on Anse Lazio Beach. Dinner and overnight Praslin.

DAY 4

First dive of the day at Bobby Island and rest of the morning dedicated to the visit of « Vallée de Mai », famous UNESCO world heritage Site which has preserved its original state and you will discover the exceptional flora and fauna of this timeless site. After the visit, time for a walk on Cote D'Or Beach before continuing the day with a BBQ on Curieuse Island home of numerous giant tortoises. Take the time for the 20 minutes walk that will lead you to Doctors House on the other side of the island where a spectacular beach waits you for a refreshing swim. Late afternoon dive at Point Rouge. Dinner and overnight in Curieuse Bay.

DAY 5

Day dedicated to Island Hopping , morning sailing towards the southern tip of Marianne island dive site : pinnacle-shaped rocks form the wall and pillars of an underwater maze that attracts grey reef sharks often seen. Afternoon sail toward Grande Soeur and Petite Soeur Islands to reach the dive site "Sister Bank" and "Coco Island". Dinner and Overnight at Sister Islands

DAY 6

Morning sailing to the dive site « Ave Maria » located off Praslin. Its huge boulders surround the small island and drop down in dramatic vertical walls and swim-throughs. Rest of the day dedicated to the visit of La Digue Island where time stands still and time-honored traditions such as traveling by ox-cart and bicycle are still king. Traditional architecture and breathtaking beaches, such as the legendary Anse Source D'Argent are an absolute must for visitors. Later afternoon dive at Channel Rocks. Dinner and overnight La Digue.

DAY 7:

Early morning departure toward Round Island for the first dive of the day. Back on board and sail towards Mahé Island. During the cross, second dive at Brissaire located between the granitic islands of Mahe and Praslin with its enviable reputation for marine life . Arrival in the afternoon at St Anne Marine park for the your last beach activities before reaching Angel Fish Jetty late in the afternoon. Dinner and overnight at Quai at Angel Fish Marina.

DAY 8

Early morning disembarkation.

During the cruise, you can perform additional dives including night dives which are payable on site. Extra dives can be provided according to the weather conditions and in accordance with the supervisory staff of "Diving Cruises".

Diving Cruises reserves the right to change the itinerary during a trip for any reason it deems necessary (i.e. due to sea and weather conditions, or in the event that the captain feels the safety of the ship and/or guests are in jeopardy).
